1 Introduction **9**

—

Part I: Tools and Theory

2 Terminology and Methods **35**
3 The Analysis of Sample-Based Music **83**
4 The Fader of Visibility (FOV) **101**
5 The Spider of Sampling Reasons (SSR) **109**

—

Part II: Case Studies

Introduction:
Five Sampling Strategies in Experimental Electronica **146**
6 "STABILIZED, YES!" by COOL FOR YOU: a Political Message **149**
7 "kenats" by Lara Sarkissian: a Political Signature **177**
8 "Libres" by Moro: Politicizing Sound **201**
9 "Perversas" by Eomac: Depoliticizing Sound **223**
10 "Methy Imbiβ" by M.E.S.H.: Concealed Politics **245**

—

Interlude: Field Notes

11 Inside the Factory: Observing Musical Production **275**

—

12 Conclusions and Outlook **297**

—

Appendix

Glossary **316**
Interviews and Personal Communication **319**
List of References **320**
Sampling Definitions **340**
Index **348**

Lists of Tables and Figures

Tables

2.1 Audio-related definitions of "sampling" **40**
2.2 A selection of (net)labels and collectives in experimental electronica **58**
3.1 Approaches to the analysis of sample-based music **84**
3.2 Matrix of origin and quality of sampling material **85**
3.3 A typology of sampling in hip hop **94**
3.4 Reasons for sampling discussed in the academic literature **97**
3.5 Approaches in the analysis of sampling practices **98**
4.1 Model of imitative practices by Richard Dyer **103**
5.1 Categories of reasons for sampling **112**
5.2 Five perspectives in contextual sampling intentions **123**
6.1 Sample-clips processed in "STABILIZED, YES!" **155**
8.1 Rhythmic patterns in "Libres" **207**
8.2 With-clave and counter-clave in "Libres" **208**
9.1 Impact and settings of the effects applied to the main sample in "Perversas" **231**
10.1 Conversation transcript of the source video processed in "Methy Imbiβ" **252**
11.1 Effect chains applied to the Iranian-Armenian protest sample in "Thresholds" **279**
12.1 Overview of the five case studies **298**

—

Figures

2.1 Sampling as a multilevel process **44**
2.2 The methodological loop of trackology **77**
3.1 A proposed typology of sampled material within EDM **87**
4.1 The fader of visibility FOV **102**
5.1 The spider of sampling reasons SSR **109**
5.2 Overlapping fields of general motives behind contextual sampling **115**
6.1 Tune 56t "Columbiana" from Original Sacred Harp, "James Edition" **153**
6.2 Sample-clip extraction from the Columbiana recording **155**
6.3 Sample-clips extracted from "Columbiana" **155**
6.4 Transcript of the sample processing in "STABILIZED, YES!" **157**
6.5 SSR: reasons for sampling in "STABILIZED, YES!" **160**
6.6 FOV: sample visibility in "STABILIZED, YES!" **169**
7.1 YouTube screenshots of the sample source of "kenats" **181**
7.2 Sample arrangement in "kenats" **183**
7.3 Sample chopping in "kenats" **183**
7.4 Sample arrangement in "kenats" **184**

7.5 SSR: reasons for sampling in “kenats” **186**
7.6 Cover photo “kenats” **187**
7.7 FOV: sample visibility in “kenats” **194**
8.1 Transcript focusing on processing of the chain sample in “Libres” **206**
8.2 SSR: reasons for sampling in “Libres” **209**
8.3 Cover artwork of *San Benito* designed by Chino Amobi **212**
8.4 FOV: sample visibility in “Libres” **216**
9.1 YouTube screenshots of the sample source of “Perversas” **227**
9.2 Sample processing in “Perversas” **228**
9.3 Transcript focusing on processing of the YouTube sample in “Perversas” **229**
9.4 Effect chain applied to YouTube sample in “Perversas” **230**
9.5 Altered effects and volume of sample in bars 163–85 in "Perversas" **231**
9.6 SSR: reasons for sampling in “Perversas” **233**
9.7 FOV: sample visibility in “Perversas” **237**
10.1 YouTube screenshots of the sample source of “Methy Imbiβ” **251**
10.2 Donbas Battalion emblem **251**
10.3 Sample-clip extraction from the main sample in "Methy Imbiβ" .. **253**
10.4 Transcript focusing on processing of the war sample in “Methy Imbiβ” **254**
10.5 Automated parameter “Song Tempo” in “Methy Imbiβ” **254**
10.6 SSR: reasons for sampling in “Methy Imbiβ” **256**
10.7 FOV: sample visibility in “Methy Imbiβ” **265**
10.8 Cover artwork of *Piteous Gate* designed by James Whipple **265**
11.1 Excerpt from “Thresholds” **279**
11.2 Sampling process in “Thresholds” **288**
